#### REPORT OF THE MINERALOGICAL AND GEOLOGICAL SECTION.

The Director of the Mineralogical and Geological Section would respectfully report that owing to the unusual absence from the city of the members most active in the Section, the meetings have not been as numerous or as large as in former years but there has been no lack of interest. The meetings jointly with the Academy have been generally regarded as interesting and successful. Considerable additions have been made to the collection. Many of the specimens were procured by purchase with the funds of the Section.

The following officers were elected to serve during the ensuing year :—

<i>Director,</i>	.	.	.	.	Theodore D. Rand.
<i>Vice Director,</i>	.	.	.	.	W. S. W. Ruschenberger.
<i>Treasurer,</i>	.	.	.	.	John Ford.
<i>Conservator,</i>	.	.	.	.	William W. Jefferis.
<i>Recorder and Secretary,</i>	.	.	.	.	Charles Schäffer.

Respectfully submitted,

THEO. D. RAND,  
*Director.*
